

## FRYMASTER MJCFSD

### GAS FRYER — 40 Litre

Specifically designed for high production of chicken, fish and other breaded products. The MJCF has a minimum 30 litres and maximum 40 litres shortening capacity. The frying area is 457 x 483 mm.

This 158.3mj model is specifically designed for high production of chicken, fish and other breaded products. The exclusive 1° action thermostat (two-year limited warranty) anticipates rapid rate of temperature rise, reducing temperature overshoot, extending shortening life and producing a more uniformly-cooked product. Centerline thermostat mounting permits quick sensing of cold food placed in either basket.

Shown with optional castors

#### STANDARD FEATURES

- Open-pot design, no tubes, easy to clean
- Millivolt controls
- Twin-size baskets 152 x 222 x 425 mm
